

Returns Policy

Street's Imaging Services Pty Ltd provides a high quality, professional photographic laboratory service from images supplied by other parties.

As the quality of images supplied is outside the control of Street's Imaging Services Pty Ltd, returns and refunds will only be made for defective products or services excluding personal preferences of colour and cropping unless specific instructions are made in writing at the time of ordering.

Supply of images by the customer is an agreement by the customer that the images are of suitable quality and resolution to produce the product requested.

Return of disks of images for refund will not be accepted however the disk will be remade if faulty or unreadable.

Requests for returns must be made within 10 days of receipt of the goods.
