GENERAL INFORMATION & TERMS OF TRADING

The placement of an order with STREET'S IMAGING SERVICES Pty Ltd is deemed acceptance of STREET'S IMAGING SERVICES Pty Ltd Terms of Trading which shall prevail.

DENSITY: As density is very much a matter of personal preference. STREET'S IMAGING SERVICES requests you advise your specific requirements by noting such on the proof- i.e. 'match proof', 'darker' or 'lighter'. Where no instructions are received, STREET'S IMAGING SERVICES will print lab standard density.

COLOUR MATCHING: STREET'S IMAGING SERVICES cannot guarantee exact colour matching. Particularly when compared to other film or paper types. When re-ordering prints, do not expect close matching unless a reference print or proof is supplied with the order and specific instructions outlined, i.e. 'match proof'.

MASKING: For systematic cropping and added protection, each negative must be mounted on a STREET'S IMAGING SERVICES Auto mask. Unmasked negatives sent for Auto Printing will incur a masking fee of **\$1.00** per negative and you must accept our cropping.

CROPPING & PRINT RATIOS: Be sure to allow approximately (2mm) on all sides of the negative for borderless printing. Please note that 50x60cm, 50x76cm and 76x101cm prints are not in ratio to either 10x13 or 13x18 standard cropping. For these sizes, do not crop tightly. Allow ample free surround space for non-standard ratio cropping.

INSURANCE: Insurance is the responsibility of the customer.

PRICES: Prices apply from 1st September 2005 and may be changed without notice at anytime.

PRINT SIZES: All sizes specified are approximate. All prints are borderless. (Paper sizes are Imperial so rounding occurs when converting to metric measurements.)

PRINT REGARDLESS: If in our estimation, your negatives or files will not yield STREET'S IMAGING's standard quality prints due to improper lighting, filtration, exposure etc., we may **return your** negatives or files unprinted. If it is not possible to re-photograph, we will accept the order on a "Print Regardless" basis. Both the order sheet and Auto masks for such negatives must be clearly marked "Print Regardless". STREET'S IMAGING will not be responsible for results nor will credit be granted on "Print Regardless" orders.

DESPATCH:

- Property in the goods passes from STREET'S IMAGING to customers ex Brisbane laboratory for prepaid orders, otherwise remains with lab until payment is received in full.
- Customers are free to pick up the goods at a pre-arranged time with STREET'S IMAGING, or to organise their own delivery of goods.
- Unless specifically requested and a freight fee is paid, **CD's** may not be returned to client's if the return of **the CD increases the cost of postage and packaging.**
- Where directed by customers, STREET'S IMAGING will organise delivery of a customer's goods and charge freight to customers. Mounted prints 60x76cm or larger are surcharged at \$27.50 for packing.

LIABILITY: Utmost care is exercised in handling customer's films. However, in case of loss or damage, liability of any kind is limited to the replacement cost of unexposed film as below.
